

Discover the World of ASL Inside!

A fun, accessible, and educational way to learn American Sign Language (ASL)!

What is ASL Inside?

ASL Inside is an interactive program that makes learning fun through dynamic videos, cultural and grammar notes, and practical vocabulary.

Perfect for those who want to explore sign language in an accessible and meaningful way.

Benefits of the program:

- Learn from home, at your own pace.
- Includes cultural and grammatical notes.
- Engaging and visually enriched sign language videos.
- Expand your vocabulary in a practical way.
- Use the “Magic Mirror” feature to practice your signs in front of the camera.
- It features a diverse community of deaf and signing people of varying abilities.

How to start?

- 1 Search for Mango on your library's website.
- 2 Sign in/up with your library card.
- 3 Search for ASL in Mango and start learning!
